## Tourist Route – TOFOLA – Interreg VI Italy-Croatia

**Forest, Wine & Sea**

From Motovun Forest to Savudrija

e-bike · quad/buggy · batana

A unique land-and-sea route connecting inland Istria with the Adriatic coast. The starting point is Motovun Forest (or St. Mark's Forest) – a historic pedunculate oak forest in the Mirna River Valley, which once supplied timber to the Venetian Arsenal. The route follows the former Parenzana Railway trail, passes through the wine-growing hills of Brtonigla with tastings of premium Istrian wines, and ends in Novigrad, with an option to extend to Savudrija. The experience includes rides on traditional Istrian batana boats in both Novigrad and Savudrija.

**KEY ROUTE HIGHLIGHTS****Motovun Forest & the Mirna River**

From the pedunculate oak forest along the beautiful Mirna River, the route follows a cycling trail through a protected landscape area.

**Livade and Truffles**

Visit the heart of Istria's truffle region, including tastings and an introduction to the rich truffle-hunting tradition of the Mirna River Valley.

**Parenzana**

The historic route of the former narrow-gauge railway, today one of the most famous cycling and hiking trails and tourist attractions of inland Istria.

**Antenal and the Mirna River Estuary**

Explore a protected Natura 2000 site and bird reserve located at the mouth of the Mirna River.

**Brtonigla Wineries**

Enjoy tastings of premium Istrian wines, vineyard visits, and insights into the region's long-standing winemaking tradition.

**Novigrad & Savudrija – Batana Experience**

Novigrad-Cittanova Visitor Centre – traditional Novigrad batana boat ride in Novigrad.

Association for the Preservation of Maritime Heritage and Cultural Landmarks "Savudrijska Batana – Batana Salvorina" – traditional Savudrija batana boat ride in Savudrija and the surrounding area.
